

Being a Good Neighbour

To be a good neighbour you must show respect to others and do nothing that might cause upset or misunderstanding. This is mostly caused by inconsiderate behaviour.

of a neighbour who's out at work. It could be any kind of small favour actually. However, the more you give out, the more you'll get back. If people find you friendly, helpful, considerate and approachable, you're far more likely to receive a similar response from them. Don't forget the old adage "the more you look out for people, the more they'll look out for you."
